Fire in the Sky 2008

The Northwest's Premier Hobby Rocket Launch

<http://www.fireinthesky.org>

Fire in the Sky is the Northwest's premier hobby rocket launch.

Held in the rolling fields of beautiful Mansfield Washington, this will be the 8th year the launch has taken place. We are a hobby rocketry club sanctioned by the National Association of Rocketry. We are dedicated to the pursuit of rocket model building, education, competition and fun through flying model, mid and high power rockets.

Highlights

- ◆ Camping and Port-a-Potties on site
- ◆ On site food service by the Sunflower Café
- ◆ Night launch Saturday
- ◆ Stargazing brought to you by the Tacoma Astronomy Society and the Sunriver Nature Center & Observatory

Cost:

Fliers \$40 per person, \$50 per family for the weekend

Spectators \$10 per person \$20 per family for the weekend or \$5/pp/day

WAC members no fees - Join WAC today! \$40/family/year
